Linda –
It has been a pleasure to be in a class with you. Good Luck in the future –
Mary Wintz

Linda,
It has really been nice knowing you in Sociology. You are a very charming person; and I wish you the best of luck always.
Ric Malone

Linda,
It has been great knowing you! Best luck always!

Linda,
It's enjoyed being in two of your classes and will miss you very much. Good luck to a swell person.
Jan Reagan

I truly thank you for all you have done for me this year. You're a true angel and our friendship cherish dearly. Yours,
Denise (OSBORN)

Dear Linda,
It doesn't seem that this year has passed so fast. I hope we could have more classes together. Good luck to a swell girl.

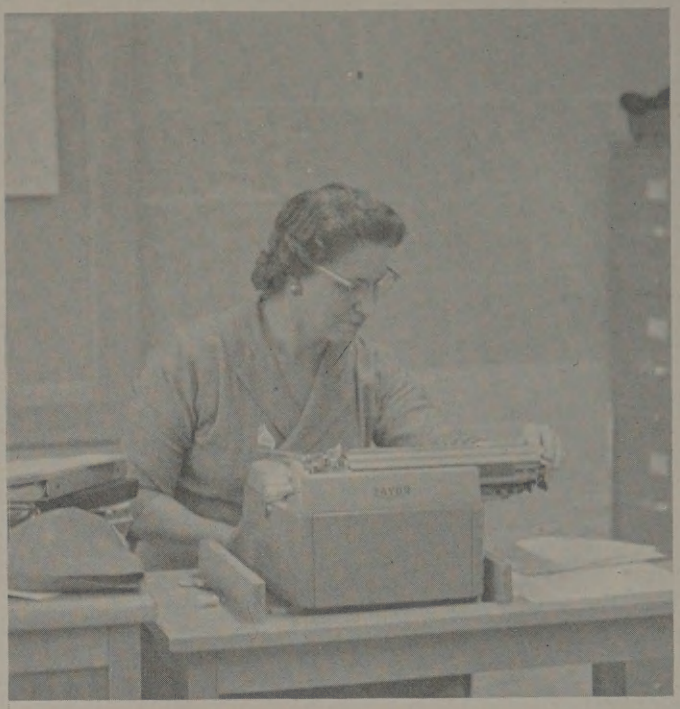
The skillful combination of brick and concrete is all that meets the eye, but come INSIDE EAGLELAND and discover for yourself the superior qualities of Abilene High School. Come inside . . . Roam the halls . . . Meet the people . . . Avail yourself of the opportunity for gaining knowledge encouraged here. Learn the magic of friendship while you are yet young in mind and spirit. Come inside the hearts and minds of every Eagle. COME INSIDE EAGLELAND . . .

Above: Miss Stokes was surprised and pleased when the staff gave her a watch pin for Christmas at the holiday party.



Right: Surrounded by notebooks, rollsheets, deadline reminders, and typewriters, Miss Stokes worked every day in the FLASHLIGHT office.

Below: An idea for next year's book or a new way to present a literature unit in her English classes is what Miss Stokes searches for as she works on her scrapbook.

THIS IS YOUR BOOK MISS MILDRED STOKES

She works calmly and quietly without one thought for herself. She gives herself and her life to others. She is devoted to her home and family. She dedicates herself to her students and leads them in the American Way. She helps them to appreciate their rights and privileges. She directs their young minds. She is Christian womanhood personified, with her devotion to home, family, nation, and youth.

She has little leisure time because she sponsors the FLASHLIGHT. She lives and breathes a yearbook from the planning stage to the bound product. She is never satisfied with less than the best the staff can do, because she knows the true value of a good yearbook and of a job well done. Rewritten copy has been written again and pictures have been made over for the third time because of her unwillingness to settle for anything less than the best in the FLASHLIGHT. She came early and stayed late many days to see that the yearbook was done correctly and completed on time.

She worked hard and never complained. She did not expect any greater reward than the feeling of accomplishing a difficult task. She worked hard, and we love her for it. It is only fair to dedicate the 1960 FLASHLIGHT to Miss Mildred Stokes because it is her yearbook.

MR. A. E. WELLS
Superintendent

MR. WELLS SMILES AND SUPERVISES

Abilene Public Schools are fortunate to have Mr. A. E. Wells to serve as superintendent and administrator. He works closely and efficiently with class room teachers, students, and principals, since he has a background as a student, teacher, coach, and principal.

His congenial manner and warm sense of humor comes to surface before the eyes of the Abilene High student body as he makes a pep talk at a pep rally or appears for other assemblies. He supports the high school activities verbally and wholeheartedly.

SERVING ABILENE . . . School board members are Mr. Floyd Childs, Mrs. M. C. Arnold, Mrs. T. E. Roberts, Mr. Morgan Jones, Mr. John Hutchison, Mr. Larry Adamson, and Mr. C. G. Whitten.

BOARD MEMBERS PROVIDE FOR OUR NEEDS

Assisting in the direction and management of the Abilene Public Schools is the responsibility of seven prominent Abilene citizens.

We of Abilene High School are deeply indebted to the capable board members who have looked ahead as they made important decisions in the planning for present and future needs for classrooms, and in choosing competent instructors, and administrators.

The satisfaction that comes with serving and helping others is the only reward for service spent on the school board.

Pictured left to right are officers of the school board: Mrs. T. E. Roberts, secretary; Mr. Morgan Jones, president; and Mr. John Hutchison, vice-president.

MR. ESCO WEBB
Principal

COMPETENT

When we hear or read the words, "In all thy ways acknowledge Him and He will direct thy path," we instantly think of our principal, Mr. Webb. He has used those words often to give us encouragement in our daily activities at Abilene High School.

His wholesome philosophy of life has helped to advance our learning and to aid the citizens of the Abilene District in understanding what really goes on INSIDE EAGLELAND. His influence will be felt in years to come because of his tireless efforts to advance the youth in our city.

MR. ALEX EDWARDS
Assistant Principal

"Friend" is one of his favorite words. Mr. Alex Edwards, our assistant principal, is truly a friend to every student INSIDE ENGLELAND. He assists Mr. Webb in executing the business of high school. He disciplines us when we have failed in self-discipline.

Whether in office conference or hallway "hellos," Mr. Edwards helps Abilene High School students to be the best.

He is closely associated with athletics through his keen interest in any Eagle activity along with the sale of tickets for games and special trains or buses. He is a most loyal Eagle.

ADMINISTRATORS ASSIST US DAILY

MISS ALEISE CLINE
Counselor

MRS. CHRISTINE SHORT
Registrar

MR. ROYCE DENNIS
Counselor

Almost all the students of Abilene High School are familiar with Mrs. Christine Short, our registrar. Among Mrs. Short's many tasks include registering students, keeping records, checking credits, and other related duties performed in accordance with her work. Her friendly assistance has been offered to many of our students throughout the year. Mrs. Glenda Fridge assists her.

One of the natural processes of school life is to get the advice of our counselor, Miss Cline. This year Mr. Royce Dennis has assisted her in the many duties of the counseling office. Together, they have endeavored to help every student get the maximum benefit from school work by giving tests and helping with schedules. Personal problems have become less serious with their help and wise suggestions.

OFFICE WORKERS KEEP ABILENE HIGH

Come inside the offices of Abilene High School. Meet Mrs. Bowers, the secretary to Mr. Webb. Meet Mrs. Fridge and the workers in the registrar's office as they keep school records up to date, type business letters, sort mail for the teachers, and take telephone messages.

Come inside the attendance office and meet Mrs. Raymond as she issues permits to enter or leave classes and as she makes out the excused lists. Learn that she knows a valid excuse when she sees one. Observe the work of the assistants as they collect and record the attendance period by period.

BUSY, BUSY, BUSY . . . Office workers have to be just as alert and patient as the teachers. Jimmy Musler agrees that Mrs. Short is never too busy to answer any students' questions.

CHECK, RECORD, AND CHECK . . . Suzanne Good, first period office worker, assists Mrs. Evelyn Raymond in the performance of her many duties.

As our school nurse, Mrs. Liess patiently and efficiently endures the perils of student ills . . . everything from skinned knees and jammed fingers to scratches and broken bones.

Doing research for term themes and completing required reading would be impossible for students without the help of our librarians, Miss Wills and Mrs. Willwater, who help find and check out library materials.

AM I SICK ENOUGH TO GO HOME? . . . Nelson Langford patiently awaits Linda Cooper's verdict as she smilingly takes his temperature.

SYNTAX, POETRY BAFFLE THE BRIGHTEST

Come INSIDE ENGLELAND and study the arts of the English language. Learn how foreign tongues have influenced the development of the most potent language in the modern world.

Discover that literature is not a sort of moonlit world of idle fancy. Real books draw us into the substance of actual things. That an author brings us face to face with real men and things, and helps to see them as they are, is the test of a great piece of literature.

Become intimately acquainted with the outstanding periods of literature from the Celts and the Stone Henge to modern drama and George Bernard Shaw.

To understand the literature and to be able to write effectively, one must study the science of the relation of words, or syntax. Subjects, verbs, and diagramming are emphasized and re-emphasized each semester.

MR. AND MISS COMMA . . . Mike Wayman and Pat Wright contest in the Battle of Punctuation. Mrs. Morrow, Junior English teacher, devised a game to help her students learn and apply the punctuation rules.

THEY COOK UP RECIPES FOR HAPPINESS

Broken dishes, hairnets, and burned biscuits are the tragedies of foods classes; however, homemaking does have its assets. The art of preparing nutritional and tempting meals and creating attractive fashions for personal and family use is gained as the study advances, and the early tragedies are soon forgotten.

Notebooks, menus, and home projects help to advance the girls' knowledge of home skills and better family relations.

Girls that do not have younger brothers and sisters benefit greatly from the Play School held in the homemaking department each semester. The study of the child reactions to activities are the points of interest in observation and actual work.

PARLEZ-VOUS FRANCAIS? - SI SENOR

"To master a foreign language is to gain another soul," stated Mr. Barthel, our new French and German teacher.

The language department consists of Spanish, Latin, French, and German. Although credits obtained from them are not requisite for graduation, teachers and students agree that a second language is a social and professional asset. Appreciation and understanding of all people can result from a study of their languages.

Today second year Latin students take home tales of togas and Roman banquets instead of just verb conjugations and noun declensions.

Spanish students learn the language and many details of Mexican and Spanish life. They learn to appreciate the customs of the people and the spicy food that warms the tongue.

French and German classes became more interesting daily as Mr. Barthel, an exchange teacher from Germany added bits of information of his homeland and Europe.

ONE STEP NEARER THE GREAT DAY . . . The last required work in social studies is completed by Rita Ling as Mr. Dyer checks in her civics book.

If a person should enter the south wing and walk down the hall, he would see and hear many political battles being fought by classroom discussions.

The history of the world, the United States and Texas, are understood much more readily with the addition of films, maps, newspapers, magazines, and projects. Our classes are spiced with exhibits, field trips, and speakers.

As the person continues down the hall, he may find psychology students standing outside classroom doors practicing mental telepathy. These students seem to get enjoyment out of finding things about themselves by various means such as taking personality tests.

The psychology class observes, first hand the work of trained psychologists, when they visit the Abilene State School each semester.

The activities of the social studies department INSIDE OUR EAGLELAND are extremely interesting as well as informative.

MATHEMATICS SHARPENS THE POWER

Come INSIDE EAGLELAND and study mathematics. Come into the world of the theoretical and the practical.

Two years of algebra, plane geometry, solid geometry and trigonometry probe to be the thought provokers and brain teasers. A knowledge of slide rule also proves helpful in the study of the more complicated mathematics. Success in advanced math is the beginning step toward fruitful college days.

Those individuals seeking practical knowledge that can be utilized in everyday life take consumer math and commercial arithmetic.

BOYLE'S LAW . . . Finding the relationship of the volume of gas to atmospheric pressure may be Greek to everyone except these physics students who seem to know what it is all about.

Biology is a fascinating subject even though the girls feel that it has its terrifying moments. Disecting a frog is an intriguing experience to the boys, but when a live frog or crayfish gets loose, the class is a night-mare for the girls. However, disecting little animals isn't the only thing done in the biology class, because once a week there is microscope study which is one phase that the girls enjoy also. Actually biology isn't as dreadful as one may expect.

Rotten eggs are not cached in the chemistry labs although everyone would certainly believe it on the days when hydrogen sulfide is composed in the laboratory experiments. Equations and atomic weights become part of the chemistry student's chain of thought.

Basic laws of electricity, space, and mechanics is the goal set by every physics student. Many suffer from frayed nerves temporarily, but understanding usually comes with much study.

FUTURE STENOS LEARN TO PLEASE BOSS

The click of typewriters and the long columns of debits and credits are part of the sounds and sights in the commercial department. Courses in typing, shorthand, bookkeeping, and office practice are offered for the benefit of those students interested in stenographic and secretarial work. Valuable experience is gained from the first hand operation of business machines.

Many Abilene High School students have obtained steady jobs with practical knowledge gained in commercial courses.

First year typists struggle through time tests to achieve an average speed of 60 w.p.h. Tabulations, letter forms and styles, practice of proper care of the typewriters, and black fingers that come from changing a ribbon are the things every commercial student remembers.

This time it is not the fault of Bill Martin that his typewriter won't type. Carolyn Malone and Charles Alexander watch as he changes the ribbon.

INTERESTS VARY IN FINE ARTS CLASSES

The color of every costume, the making of every set, the need of every small property, and the fright that comes from forgetting lines are all parts of the excitement and strain that accompanies every stage production.

Across from the busy activity on the stage, speech students are progressing from the study of the fundamentals to more advanced studies in platform speech or debate.

Music, instrumental and choral, not in harmony as the sounds meet in the halls, later blend beautifully in concerts and musicals.

The ability to express one's self in an artistic fashion is truly one of the finer things in life. Whether we create or give the inspiration for the creation, art is a beautiful thing.

KNOWLEDGE COME FROM WORKSHOPS

Specializing in a vocational skill requires much more than knowing the skill. Through the facilities of our vocational department, students get complete training and experience. To be the basic academic courses as well. English, math and history prepare them for assuming the responsibilities of maturity and the days of full time work ahead.

From Auto Mechanics and Farm Skills, the vocations are studied and practiced.

Various clubs have been formed in connection with the vocational classes. Club members work on projects and participate in regional and state competition.

PHYSICAL EDUCATION ENCOURAGES

Calisthenics, roll call, push-ups, softball, volleyball—all become routine for sophomores and juniors in P.E. classes as they mold strong, healthy bodies and at the same time develop skills in various sports. Physical education class is the one class during the day in which students can relax and let their muscles work instead of their brains—except on test days. First aid in health classes and safety rules in drivers' education concern the welfare of the students, and receive special attention in these classes.

Mr. "Shorty" Lawson teaches the prevention of denting fenders and side swiping curves, keeping the future drivers of the American highways wide-eyed and awake, although the most ominous peril of the course is doubtlessly the changing of a flat tire.

CLASSES

Reserved for me!

Dear Linda—

It's really been great knowing you these past few years. We had a lot of fun together (football games, alumbo (how!) parties), lunch, etc. I really think a lot of you, as you know, but I can't really tell you how much much I cherish our friendship. I know you'll have fun at Mississippi next year. We'll probably never see each other much in future years except at Christmas and summer, of course. I just want you to know I think you're tops, and I want to wish you the best of luck in everything you do—you really deserve it! May God bless you and keep you!

STUDENTS DO SUPERIOR WORK IN VARIED FIELDS OF STUDY

Outstanding work done in one field is an achievement not often recognized. The outstanding students are chosen by the teachers in each department.

Te receive the honor, one must show genuine interest in the subject; he must make good grades in that field and others; and he must have applied his knowledge in his everyday life and association with others.

The outstanding student works for more than good grades. He strives to satisfy his own desire for knowledge. He works to prove himself. He works to serve and to lead others. He is a scholar and a good citizen.

EAGLES FIGHT!

Our Cheerleaders worked tirelessly to do their best from the day they were chosen last spring until they had trained the leaders for 1961.

Giving their time to rigid training, studying yells, and working out new routines prepared them for their heavy duties which began on orientation day. Besides practicing every day, they made hall posters, locker tags, and announcements before each game and rally.

The last football game was not the final appearance of these Faith Five because they rallied with equal fervor for all spring events.

Come INSIDE EAGLELAND and meet Pam, Tommie Ann, Pat, Katie, Jane, and Mara.

GRADUATION DAY . . . The long awaited and never forgotten Graduation Day had finally arrived for these A.H.S. seniors.

MEMORIES ARE MADE OF THIS

Memories, the forever lasting memories, are usually the ones of lost, happy days and events that we hold and cherish within our hearts.

The hopefulness and happiness that was doubtlessly felt by the girls of the chosen Top Ten—Graduation Day, which was the day that the dawning of the sun brought with it not only the light of day, but also an enlightenment of the mind, and an exultant hope for the future—these were the days that while our eyes overflowed with tears and our hearts were filled with a strange, mysterious sadness, we suddenly smiled—smiled with the realization that this was not the end, but only the beginning. For amidst our acknowledgment that we must continue to mold our lives in the future, we discovered that we each may still keep our dreams . . . and our memories.

REWARD FOR EFFORTS . . . Robert Hunter, valedictorian, and Carla Miles, salutatorian, received congratulations from Mr. Webb as he presented scholarships to them.

SENIOR RADIO DAY . . . Fun and excitement prevailed on Senior Radio Day when seniors were permitted to "take over" KWKC Radio Station.

TREASURED SWEATERS . . . Sparkling eyes and exuberant spirits were evident as these boys received their treasured basketball sweaters.

MATRIMONY PHONY . . . Jane Feierabend and Charles Lacy were portrayed as bride and bridegroom at the National Honor Society's Spring Induction.

SPECIALTIES OF '59

Take a season filled with sunshine . . . Blend in memorable school events . . . and the result is Spring time at Abilene High School.

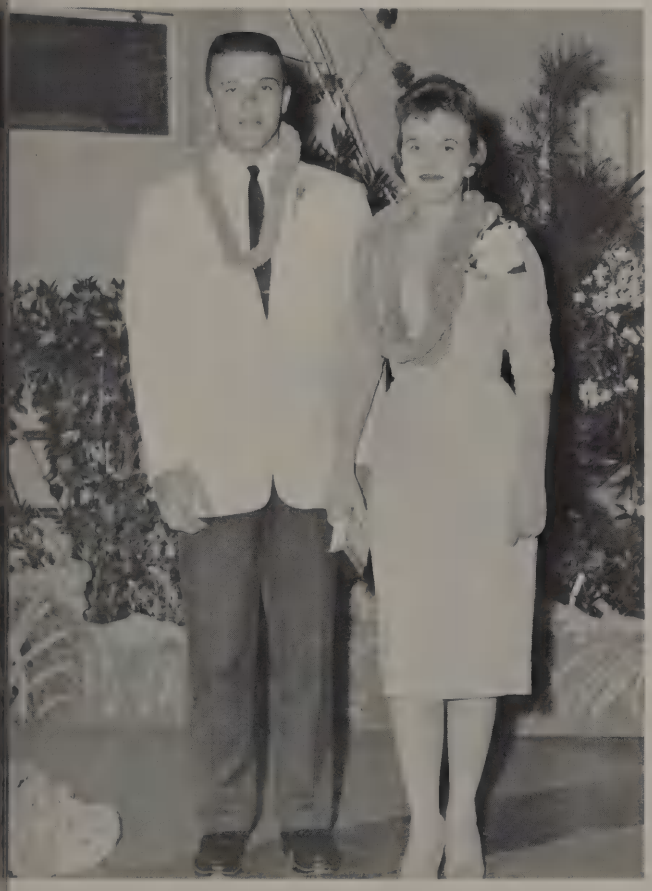
Spring was filled with the sound of melodious Hawaiian music at the annual Junior-Senior Banquet and the elation of the Prom held afterwards. Tireless efforts were made by junior class girls in trying to make the Top Ten; students in drama departments busily prepared for student plays; a day was set aside for the recognition of outstanding students and the choice of the Spirit of Athletics, and restless excitement over the distribution of the yearbooks prevailed among students upon the arrival of the 1959 Flashlights. These activities and many others predominated at AHS during Spring.

ELEVEN TOPS TEN . . . For the first time at Abilene High School there were eleven exuberant girls in the Top Ten instead of the traditional ten. All eleven appeared equally excited at the honor.

SPIRIT OF ATHLETICS . . . During the annual "A" Association Assembly, Charles Harrison presented Lorna Tucker as the Spirit of Athletics.

PALM TREES AND LEIS . . . All served as a picturesque background for Marilyn MacDonald and escort, Bruce Bramley, during the Junior-Senior Banquet held last spring.

OUTSTANDING STUDENTS . . . Senior Assembly Day found Nelda Clinton, Flashlight editor, recognizing Mr. A.H.S. and Miss A.H.S., Most Friendly Boy and Most Friendly Girl, and Class Favorites.



Sounds of Hawaii resounded throughout at the Junior-Senior Banquet. Judy Andree and Rip Thomas were one of the many couples who enjoyed the serene Hawaiian atmosphere.

"THE CRUCIBLE" . . . The one act play, "The Crucible," was one of the spectacular plays presented under the direction of Mr. Ernest Sublett.

HOMECOMING-1959

Times passes and spring fades into autumn. The golden leaves are swept away by torrents of wind and golden moments are swept away by torrents of time.

Homecoming . . . a golden event . . . a golden moment in the life of our Homecoming Queen and in the lives of the Eagles of Eagleland.

A year . . . a day . . . a moment ago . . . were all golden moments.

GOLDEN MOMENT . . . Within Marilyn Dulaney's treasure chest of memories is the exciting moment when she learned that she had been chosen Homecoming Queen for 1959-60.

IMITATION CHEERLEADERS AND IMITATION MUMS . . . Rah, rah, rah, boom! These teachers get some of that "old school spirit" while skillfully avoiding tripping over their mums.

MIRTHFUL MAJORETTES . . . Exhibiting a new routine are the above teachers, performing in the Homecoming skit given by the faculty.

SKIT HIT . . . The Abilene High School faculty "rallies 'round the flag" after a successful demonstration of their creative abilities.

CHEERFUL CANDIDACY . . . Julia Manly, Mary Strouble, and Marilyn Dulaney are obviously elated at being chosen candidates for the honored title of Homecoming Queen.

STOP SHOOTING AT ME! . . . Mr. C. D. Echols, photography instructor, takes careful aim before firing his loaded camera during the Homecoming pep rally skit.

SANTA TIME . . . "And what is your father's name?" asked Mr. Fielder. A small voice answered, "Daddy." Questions and answers such as these kept smiles on the faces of those in attendance of the band's annual Christmas Assembly.

LET'S HAVE A PARTY . . . Abilene High School students enjoyed homeroom parties the day before the dismissal of school for the holidays.

WHAT FOOD . . . Partaking Spanish food in the Spanish atmosphere of Pompa's are these four students who attended the Christmas party.

Take a day filled with happiness . . . Blend in warm and gentle people . . . some joy . . . some bliss . . . Christmas Days are made of this.

Christmas holidays at Abilene High were filled with all this and more. Decorating Christmas trees, planning and attending festive parties, eating fabulous food, and most important, becoming closer to our God are memories of a wonderful Christmas.

CHRISTMAS TIME AND TEA . . . Mr. Terbush and Mr. Webb relax and enjoy tea and conversation at the tea party given by home-making girls.

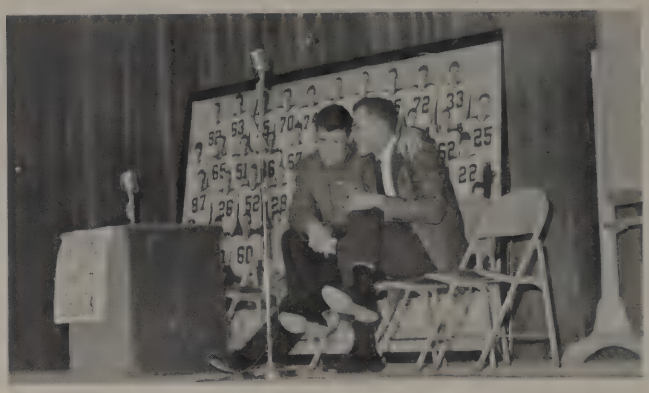
SEE MY GIFT . . . Mr. Blackburn shows his gift that will soon be taken away for a box for the children of the State School.

FACULTY BREAKFAST . . . Miss Aleise Cline converses with Mr. and Mrs. Paul Barthel at the faculty breakfast.

GREETINGS FROM THE ENGLISH DEPARTMENT . . . Making a panel for attaching cards from English teachers are Miss Loving, Mr. Davis, Mrs. Haney, and Mrs. Morrow.

BREAKING THE PINATA . . . Members of the Spanish class engage in breaking a "pinata" during their homeroom Christmas party.

JUNIOR ASSEMBLY . . . Mr. Ernest Sublett steps "out front" after assisting with another successful class production.



A FINE JOB . . . "You've been doing a fine job," says Ray Crumpler, alias Chuck Moser, to Clevie Powell, alias Nat Gleaton, at the Senior Follies.

MAKE MINE COUNTRY STYLE . . . Glo Lambert impersonates a country girl in the city at the junior class assembly.

WASH DAY . . . These junior class girls scrubbed vigorously to 'wash that man right out of my hair."

LET THE BELL KEEP ON RINGING . . . John Hutchison, Dogie Giles, David Hutchison, and Barry Barker keep the bell ringing for victory at A.H.S.

CHA, CHA, CHA . . . The Abilene High School Stage Band creates an appropriate atmosphere for their "South of the Border" trip. The program was presented to supplement their funds for a trip to Mexico.

IOWA TESTS . . . Seniors took special tests in the auditorium last fall which were indicative of their educational development.

CLUB SCOUTS . . . Daniel Sample, Ken Griffin, and Ronnie Van presented their version of the "Battle of Kookamonga."

FIGHTING FIRE WITH FIRE . . . Abilene High students braved cold weather to attend the bonfire pep rally which was the first ever given at A.H.S.

MUSICAL MELODIES . . . The Northwinds displayed their musical talents in their performance at the Junior Class Assembly.

BEAUTY STANDS ALONE . . . A white blanket of snow forms a background for a lonely mesquite tree and creates an atmosphere of serenity.

QUEENS: Mary Lou Robertson, Marilyn Dulaney, and Judi Malone vie for the honor of Flashlight Queen. Class presidents Charles McCook, Caleb Herndon, and James Newberry presented the queens.

SPEECH CLASS PERFORMANCE . . . The cast from "Sganarelle, the Woodcutter" takes a curtain call after a very good performance.

BEATNIK SKIT . . . Gary Moore acted as the narrator of the "Beatnik" skit given by Miss Billie Loving's homeroom.

THIS IS WHERE THOMAS JEFFERSON WAS . . . This picture was taken during one of the exchange group's many tours while on their exchange trip to Cheltenham, Pennsylvania.

ALL THOSE SUITCASES FOR A TWO DAY TRIP? . . . Shirley Jaggars, Jo Ann Ray, Roger Middleton, and Ray Finfer prepare to attend the Texas High School Press Association in Denton.

SOUTH OF THE BORDER . . . These members of the concert band practice for the concert which was given to earn money for the band's trip South of the Border.

COME INSIDE EAGLELAND . . . Meet the wearers of the "A" and the students that support them. Look at the padded form carrying a pigskin across the line for a T.D. Watch a fuzzy ball being swatted over a net, a javelin being hurled, and a lean, lanky center jumping high for the toss. Listen to the cleats slide into home plate and the referee shout, "Safe!" Feel the hush before a serve or a putt. Show the colors of the black and gold . . . COME INSIDE EAGLELAND . . .

SPIRIT OF ATHLETICS-MARY STROUBE

At the climax of three dedicated years in the boosting of the Eagles, Mary Stroube was chosen as Spirit of Athletics. She spent many hours decorating the gym and the goal posts. She yelled at the pep rallies, went to every game, and encouraged the boys "to do their best" for Abilene High School. Come INSIDE EAGLELAND and meet a real Eagle—our Spirit of Athletics—Mary Stroube.

ABILENE HIGH COACHES . . . Miss Billie Bailey, Mr. B. L. Blackburn, Mr. John Dyer, Mr. Chuck Moser, Mr. Bob Groseclose, Mr. Shorty Lawson, Mr. Nat Gleaton, Mr. Wally Bullington, Mr. Bill Sproull, Miss Beverly Ball, Mr. Bobby Jack Price, and Mr. Harold Brinson.

AHS ATHLETES TRAINED BY COMPETENT STAFF

The coaches in Eagleland always manage to produce capable teams. The '59-'60 season was no exception.

The track team won the State AAAA Championship; the baseball team finished second in District 2-AAAA; the golf team placed fourth in district competition; the tennis team tied for second; the football team went to the State AAAA Quarterfinals; and the basketball team tied for second in District 2-AAAA. The girls' volleyball team tied the runner-up spot in district.

Led by Bob Johnson and Gerald Cumby, the 1959 track team won ten straight meets, the district, regional, and state championship titles.

The Eagle baseball team of 1959 won eighteen games and lost six for a .750 average. This was good enough for a second place finish in District 2-AAAA behind champion Odessa. The second place was the lowest the Eagles had placed in district competition since 1949.

The Tennis team led by Daird Rex, who won boys' singles in district, tied for second in District 2-AAAA and won the runner-up spot in the Blue Bonnet Meet.

The Warbird golf team finished fourth in District 2-AAAA in 1959.

The Abilene football team won its sixth straight district championship, the district winning streak was stopped at thirty-four straight. Led by All-State End David Parks, the team advanced to the state quarterfinals before losing to finalist Wichita Falls.

Eagle cagers won twenty-two and lost six to finish the season with the best record in thirteen years. Coach Gleaton's team tied for second behind tree-top tall Midland.

Row 4: Standefer, manager, Williams, Williamson, Arrell, Boyd, Putnam, Baldwin, Wylie Newman, Robinson, Anthony, manager.

MOSER BOWS OUT WITH 10-2 RECORD

The 1959 Eagle football team played one of the roughest schedules in the state. Each week the team was forced to go all out against their opponent. Despite the pressure, the Warbirds won ten of their twelve games, tied for the district crown and advanced to the state quarterfinals.

Although the Eagles' district winning streak was stopped at 34 straight games, the district co-championship entitled them to enter the state playoffs for the sixth straight year. They defeated Ysleta in bi-district before dropping a tough game to state finalist Wichita Falls in the quarterfinals.

Once again the Eagles accomplished more than was anticipated. Under the able direction of Coach Chuck Moser and his assistants, the team thrilled the fans and was at one time rated the number one team in the state.

At the conclusion of the season, Coach Chuck Moser stepped up to the position of Athletic Director of Abilene Public School. While at Abilene High, he and his staff guided the Eagles to a 78-7-2 record, three state championships, six district titles, and a 49-game winning streak.

EAGLES SHADE JEFFERSON

The Warbirds christened the new Public School Stadium with a 14-12 victory over San Antonio Jefferson. Abilene was in command for the first three quarters but had to stave off a fourth quarter Jefferson rally. In the second period, quarterback Charles McCook climaxed an 81-yard drive with a 3-yard keeper outside right guard. Thirty-three seconds later, after recovering a Jefferson fumble, Abilene scored on a spectacular 44-yard pass and lateral play from McCook to David Parks to Sarge Newman. Bobby Austin kicked both points.

'58 LOSS REVENGED

Before a crowd of 14,000 in the Public School Stadium, Abilene gained a 29-12 victory over the Sweetwater Mustangs to revenge a '58 loss. Charles McCook completed touchdown passes of 5 yards to left halfback Bobby Austin and 10 yards to right end Louis Adams and set up a 19-yard scamper by Austin for the third Eagle touchdown with a 38-yard pass to left end Clevie Powell. Fullback Mike Wayman scored the final Eagle T.D. on a 2-yard dive. The extra points came on a kick by Austin and runs by Wylie Newman and Wayman.

ABILENE JARS BUCKIES

Fighting back after Breckenridge had scored on the first play from scrimmage, the Eagles took a hard fought 14-13 victory. Abilene scored in the first quarter on a two-yard run by Sarge Newman. In the second quarter the Eagles scored again on a two-yard run by Mike Wayman who also ran the extra points. The capacity crowd of 8,500 was kept in suspense throughout the game which was not decided until T. A. Buchanan and David Winkles jarred Breckenridge end Jack Stevens loose from a two point pass that would have given the Buckaroos a 15-14 decision.

ALAMO DOWNED 42-0

With Charles McCook leading the way, the Eagles rolled over previously undefeated Alamo Heights of San Antonio. McCook threw touchdown passes of 34 yards to David Parks and 21 yards to Clevie Powell and scored a third touchdown on a 12 yard bootleg. The other three Warbird scores came on a 5 yard run by Sarge Newman, and an 11 yard scamper by Mike Wayman, and an 8 yard keeper by David Winkles. McCook tossed to Louis Adams twice for extra points, and Winkles hit Adams once.

WARBIRDS WHIP WACO

With a crowd of 11,000 looking on, the Eagles scored a 13-12 victory over the Waco Tigers. The Warbirds trailed 12-0 at halftime but rallied for 13 points in the third quarter to gain their fifth victory of the year. The rally was led by Bobby Austin who made the first Eagle touchdown on a 36 yard pass from Charles McCook. Austin scored the tying touchdown on a 10 yard run and then kicked the deciding extra point.

ABILENE BLANKS BIG SPRING STEERS

The Abilene Eagles defeated the Big Spring Steers 36-0 in their District 2-AAAA opener before 9,500 fans. Five separate Warbirds scored touchdowns in the lopsided victory.

Charles McCook passed for four yards to right end Louis Adams to climax a 73-yard drive for the Eagles' first score. The Eagles took a 22-0 halftime lead with Bobby Austin and Gerald Williamson, each crossing from the one. The fourth Warbird touchdown came on a beautiful 62-yard punt return by David Winkles. Wylie Newman added the final score on a two-yard drive.

Mike Wayman ran twice for four extra points, and McCook passed to Adams for two more.

Displaying team balance, the Warbirds routed Permian 44-0, as six different Eagles crossed the double-stripe. Scoring was opened in the first quarter on a one-yard bootleg by Charles McCook. Abilene tallied two more times, before the half, on a six-yard pass from McCook to David Parks and again on a three-yard run by Wylie Newman. Second half touchdowns were made by Gerald Williamson on a 17-yard run, Steve Newton on a five-yard pass from David Winkles, and Mike Wayman on a ten-yard run. Bobby Austin kicked two extra points and Austin, Wylie Newman, and David Winkles ran two pointers.

WARBIRDS WIN DISTRICT

Abilene stopped the Odessa Bronchos 7-0 before 10,000 fans to take the District 2-AAAA lead. Held scoreless in the first half, the Warbirds marched 73 yards for a lone touchdown in the third quarter. Bobby Austin circled left end for two yards and the score, then kicked the extra point. Austin and Wylie Newman led the Eagle offense with 99 and 44 yards respectively.

Everyone INSIDE EAGLELAND beamed with pride as the Warbirds brought home the sixth consecutive District 2-AAAA Championship. The Victory Bell will be a part of Abilene High for another year.

Wylie Newman led the Warbirds in scoring with two touchdowns on runs of 22 and 19 yards. David Winkles scored on a 4 yard run, while Sarge Newman picked up the final tally on a 3 yard scamper. Bobby Austin kicked the extra points. The victory clinched the Eagles' sixth straight playoff berth and was their 34th consecutive district win.

ANGELO UPSETS ABILENE

The San Angelo Bobcats shutout the Eagles 13-0, for their triumph over Abilene since 1950. The loss was the first in district competition for Abilene in 35 games since Pampa turned the trick in 1953. Angelo scored in the second quarter on a 1-yard sneak by Billy Mullins. The Eagles threatened to score on their first possession, but the San Angelo defense held and Abilene was unable to score in the game.

WICHITA DOWNS EAGLES IN QUARTERFINALS

Their schoolboy football empire crumbling under a 12-0 Abilene lead, the defending AAAA champion Wichita Falls Coyotes took the breaks and powered into the state semi-finals with a 26-12 victory over the Warbirds.

Abilene opened the scoring when fullback Wylie Newman smashed over from the 1-yard line in the opening minutes. The Eagles scored again in the second quarter on an 81-yard drive climaxed by Newman's second 1-yard smash through the line.

The half ended with the Eagles on the Wichita 1-yard line and holding a 12-0 lead.

The second half was all Wichita Falls.

The Coyotes intercepted an Abilene pass on the Eagle 19-yard line and moved for a third quarter score. A fumble on the Eagle 43-yard line set up the next Coyote touchdown and a fumble on the Abilene 5-yard line set up the final Wichita tally.

This loss ended the football season in EAGLELAND, but the team had compiled another successful 10-2 record. The loss also gave Wichita Falls the distinction of being the only team to beat a Moser coached eleven twice.

It was a sudden end to a long trail which had begun in September, but the students and team showed they could lose and still keep their chins up.

EAGLES CAGERS WIN 22, LOSE

The Warbird basketball team raced through its schedule with twenty-one victories and six defeats. This was the best record in Eagleland in thirteen years, and the fifth best in history. The Eagles opened the season by downing Coleman. In the weeks that followed before the opening of district play, the hoopsters of Coach Nat Gleaton racked up a 15-2 record.

The Eagles competed in three tournaments, winning the championship in two and losing in the finals in the other.

TEN BASEBALL LETTERMEN RETURN

Out of fity-four boys coming out for baseball, Coach Blackburn had ten returning lettermen this season—Rip Thomas, catcher; Mack Dumis, third baseman; Dee Hopkins, first baseman; Frank Ray, pitcher; Clevie Powell, first baseman; Teddy Hamilton, outfielder; and Bill Fulls, catcher. Graham Barnes, senior, also returned to serve the team as student manager.

Other outstanding lettermen were Gerald Williamson, John Marshall, and Billy Monk. Monty Smith, a sophomore, also made a good showing.

Senior letterman Teddy Hamilton had the highest batting average on the team.

Last year the Eagle baseball team won eighteen out of twenty-four games for a .750 average. A ten year District 2-AAAA Championship record was halted in the 1959 season.

A game played with 1959 State AAA finalist Snyder on March 8 opened the Warbird's 1960 season. A loss of 3-2 was suffered in the close shut-out.

The baseball coaches, players, and fans INSIDE EAGLELAND are still hopeful for a successful '60 showing.

1959 CINDERMEN TAKE STATE CHAMPIONSHIP

DON'T DROP IT, BOY . . . Chuck Evans passes the baton to his teammate in a practice relay.

Coach Bob Groseclose's track team won the state championship last season to climax an outstanding season that consisted of ten meet victories. The team won the Border Olympics, Monahans Relays, Southwestern Recreation, Cowtown Relays, Red Raider Relays, District, Regional, and State meets.

Gerald Cumby and Bobby Johnson led the team in points at the State Meet. Cumby won the pole vault and Johnson won the high hurdles and placed in the low hurdles.

Others placing in the State Meet were Steve Strickland second in the mile, Andy Springer fifth in the broad jump and sixth in the 220-yard dash, James Blackwood second in the 880-yard run, Jerl Franklin fourth in the high jump, and Larry Rhodes fourth in the 880-yard run.

This year's team is captained by lettermen Carlton Stowers and Larry Rhodes. Other lettermen are Bob Beck, Charles Williams, Charles McCook, Denny Roberts, Eldon McDaniel, Elwood Leonard, and Franklin.

CONSERVING ENERGY . . . High jumper Jerl Franklin goes over close to the bar.

HIGH STEPPER . . . Hurdler Charles McCook demonstrates good form going over high hurdles.

WORKING FOR UNITY . . . The mile relay team composed of Charles McCook, Denny Roberts, Larry Rhodes, and Carlton Stowers works out together.

ABOUT TO PUT INTO ORBIT . . . With such a determined look, David Glover ought to be able to put the discus into orbit.

'60 EAGLES HAVE GOOD TIMES, DISTANCES

This season's bad weather kept the Eagle cindermen from working out regularly and participating in the best scheduled meet of the year. Despite this handicap, Coach Bob Groseclose's charges have recorded exceptional times and distances.

Co-Captain Carlton Stowers has already recorded times of 9.7 and 21.5 seconds in the 100 and 200-yard dashes respectively.

Larry Rhodes, the other captain, has an excellent time of 1:58.5 in the 880-yard run. Stowers, Rhodes, McCook, and Roberts have run a 1:25 in the mile relay which is a good pre-season time.

Fieldmen have also registered fine pre-season height and distances. High jumpers Bob Beck and Jerl Franklin have both cleared 6 feet in practice. Elwood Leonard has vaulted 12'2". Charles Williams has been broad jumping about 21 feet consistently. Most of the times already recorded this year are among the best in the state.

Clayton Brooks, Chuck Evans, Jerry Newman, and David Winkles will represent Abilene in the sprint relay, but so far spring training has kept Evans, Newman, and Winkles from working out so there is no record time for this team.

Coach Groseclose expects to pick up points in the shot put and discus where he has entered David Glover.

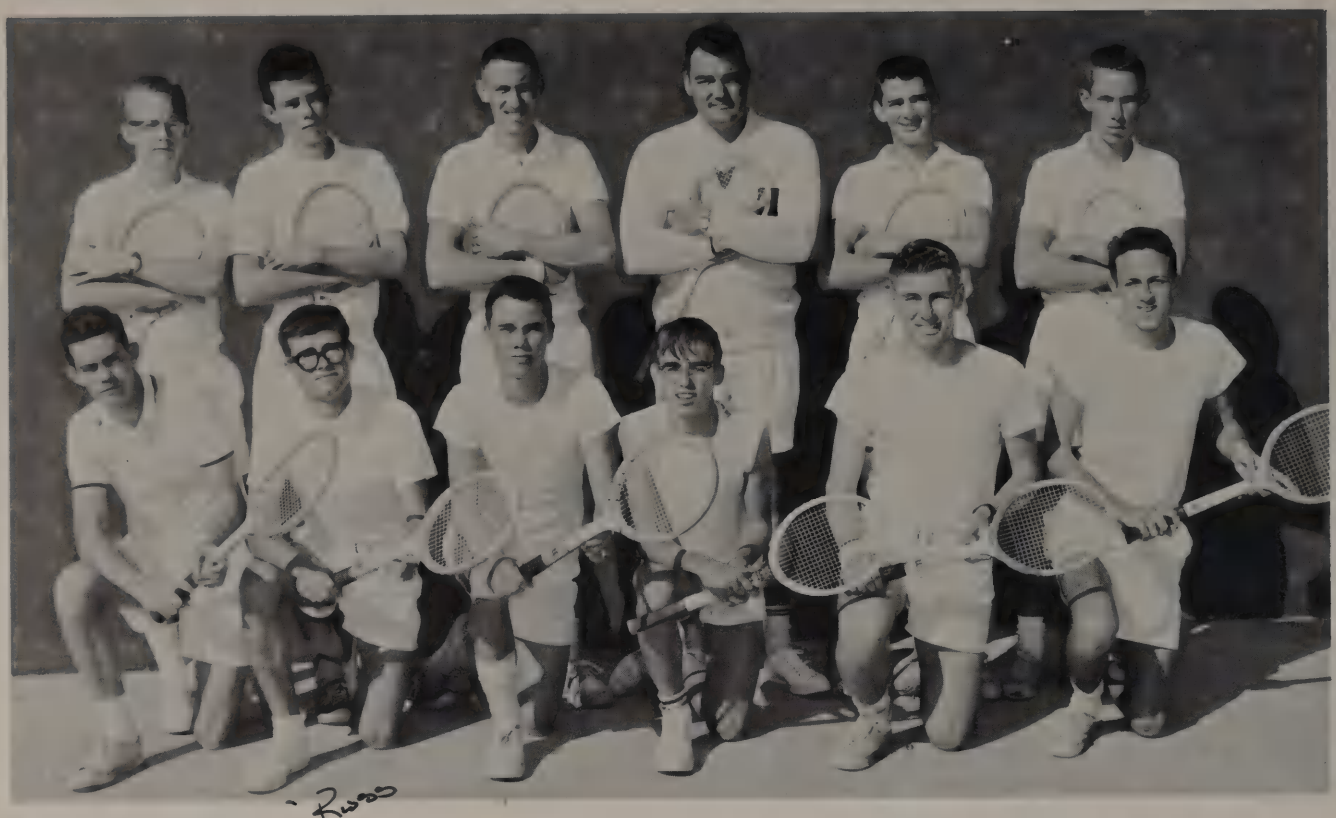
Times, distances, and heights were recorded prior to Southwestern Recreation Meet.

FOLLOWING BROTHER'S FOOTSTEPS . . . Elwood Leonard practices pole vault trying to follow brother James who was State Champ in 1955.

OVER HE GOES . . . Bob Beck seems to make a face at the bar as he clears 5' 8" in practice.

ODD POSITION BUT . . . Broad jumper Charles Williams jumped 21 feet on this jump.

DISTANCE MEN . . . Eldon McDaniel and Henry Barentine lap track to keep in shape.



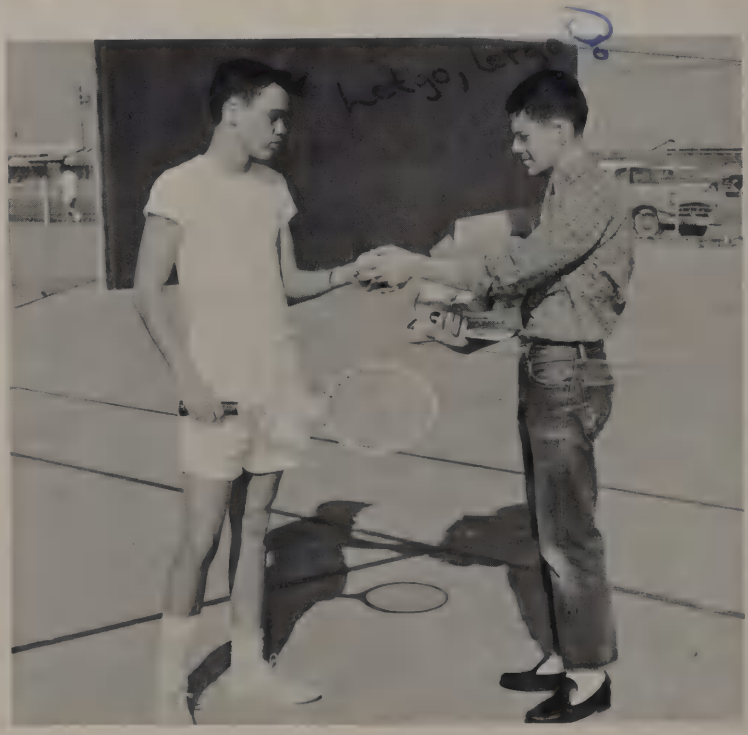
BOYS' TENNIS TEAM . . . Row 1: Robert Bassetti, Bob Adams, James Black, Bobby Baskett, Don Artis, Jack Turner. Row 2: Pat McDavitt, Paul Lyons, Robert Haney, Mr. Sproull, Cecil Fielder, Joe Tucker.

BOYS' TEAM FACES STIFF COMPETITION

The boys' tennis team of Coach Bill Sproull met some keen competition in pre-season and district play last year and will probably face more of the same top teams this year. Last year's team, led by David Rix who won boys' singles in district, competed in meets in Brownwood and Wichita Falls before going to the district meet. There the team finished in a tie for second place.

This year's team will be led by Robert Haney and Robert Bassetti in "doubles" competition and Joe Tucker in "singles" play. The squad contains eleven members, six of whom are returning from last year's team.

The netters have already competed in a meet in Wichita Falls. Still remaining on the schedule are meets in Odessa, Midland, Brownwood, Lubbock Monterrey and the District 2-AAAA meet in Midland.



Manager, David Stevenson hands ball to James Black.

Martha Batts
"A" Singles

Coach Beverly Ball's girls' team as they face tough competition in the 1959-60 district race. However, they have some top prospects and should fare as well as last year's team.

Martha Batts is listed as the number one player for the girls' team this year. Martha, a senior, is one of the three returning girls who lettered last spring. The others are Tommie Tucker and Jo Ann Cook.

Twenty-one girls make up the 1959-60 squad. Among these are four seniors, five juniors, and twelve sophomores.

The girl netters have already competed in a meet in Wichita Falls. Still remaining on the schedule are meets in Odessa, Midland, Brownwood, Lubbock Monterey, and the District 2-AAAA meets in Midland.

VOLLEYBALL

Prospects for a good '60 season was the report for the volleyball team as they began their play with two wins and one loss before entering the Big Spring tournament where they lost out in the opening games. The girls won over the Sweetwater and San Angelo teams and lost in Big Spring in the year's first games.

The team did not lack experience this year with five returning lettermen: Carolyn Johnson, Delores Turner, Connie Gonzales, Helen Hollowell, and Ellen Hollowell. Reporting to Miss Billie Bailey for the season's work were forty other girls.

EAGLE LINKSTERS AIM FOR SPRING TITLE

THE GAME IS OVER . . . Coach Dyer totals the score as Mike Sparks, Roger Middleton, and Dan Boone look on.

The 1959 Warbird golf team of Coach John Dyer finished fourth in District 2-AAAA competition. This year's linksters, however, are long on desire and prospects seem good. The Eagles have beaten San Angelo in a dual meet, fallen to Brady in a five-team meet at Breckenridge, and captured a three-way session with Brady and San Angelo.

Coach Dyer's top quartet so far has been composed of David Gonzales, Dan Boone, Larry Gray, and Roger Middleton. Also on the squad are Mike Sparks, Tommy Hood and Don Jackson.

Although there are no returning lettermen, Boone, Gonzales, and Hood were squad members last year.

JUST SUPERVISING . . . Coach Dyer watches David Gonzales as he gets set for a drive.

Dear Linda —
Gosh, it's been so much fun! Hasn't the Eatting been an experience to remember? I don't know what we would have done without you — yes & do too — we would have had Eagle feathers in time. not really — don't take me too seriously!
I'm almost sorry it's all over — I'll really miss the old Eatting gang next year. But if not Texas U. plans fall through & we're not all see you out at McMurry next fall.
With thanks, here we come!
Love,
Peggy

N.H.S. PROMOTES HIGH STANDARDS

"I am not a bookworm," was the indignant reply of a National Honor Society member.

Contrary to popular belief, National Honor Society fosters not only scholastic achievements, but also the development of character and leadership. Membership in the Abilene High School chapter, which was established in 1928, is based upon these qualifications along with a ninety average that has to be maintained.

Two money-making projects sponsored annually by this active organization are a balloon sale at the Homecoming football game and the Valentine Post Office. The funds are used to cover expenses of two inductions and the graduation reception. The society also sponsors a scholarship for some worthy member.

Row 1: David Hutchison, Miss Johnson, Sponsor; Mary Stroube, Barbara Short, Mary McDonald, Judy Hill, Phil Strickland, Carolyn Bedford. Row 2: Jean Caffey, Jan Cothran, Helen Hollowell, Betty Archer, Sally Tucker, Mary Jo Holt, Lynda Cooper, Jan Satterwhite, Sandra Terry, Nancy Frazier. FLASHLIGHT RECORDS 1960

Tired blood, bloodshot eyes, ulcers, and a scared look are indicative of an approaching deadline in the production of a yearbook. If individuals were seen wandering about that looked like they were tired to death of being tired to death, chances are they were the run down Flashlight staff members. The lowest ebb is usually reached when school events, final tests, projects, term themes, and one-fourth of the yearbook must be completed at the same time. "Leisure hours" before and after school, Saturdays, and holidays are sacrificed willingly, but with reservations.

When the final shipment is in the mail, everyone from the weather-beaten editor to the over-exposed photographers heaves forth a sigh of profound relief. Then they retire to the leisurely life of being accused of hiding the yearbooks in the Flashlight Office.

The FLASHLIGHT is the product of many hours of toil, sweat, and worry of a group of your fellow students. Receive it with a glad heart and cherish it, and that will be reward enough for those that assembled the pages of the 1960 FLASHLIGHT.

ASSISTANTS . . . Diana Ford, Terry Butler, Donna Dugger, Glo Lambert, and Barbara Terry helped the section editors work on the Flashlight.

SCRUPULOUS SUBSCRIPTION . . . Engrossed members of the FLASHLIGHT staff labor diligently, counting money after the yearbook sales.

Advertisement sales for the 1960 Flashlight were begun during the summer of 1959 by Kay McCraw, Business Manager. Salesmen visited Abilene businesses daily to sell ads for the Flashlight. John Womble drew up and composed advertising layouts as Kay McCraw submitted copy.

The business staff was in charge of yearbook subscription sales during the fall, distribution of salesbooks, and preparation of the bank deposits. They filed receipts and prepared homeroom lists so that the 1960 Flashlight could be distributed easily in May.

FLASHLIGHT CLUB

Thursday club days found eleven annual staff members in the Flashlight office with the editorial advisor, Miss Mildred Stokes.

Club periods were used for group activities. The staff worked on posters for the Flashlight subscription campaign, made a homeroom hall sign during the football season, and arranged a skit for a basketball pep rally. Members also planned the annual Christmas party and the spring picnic.

Thursdays were the only days some of the staffers could be together so ideas were exchanged by the various section editors to make the 1960 Flashlight a better book.

OTHERS ARE FIRST IN JR. RED CROSS

The Junior Red Cross Council represents the Abilent High School student body in doing rewarding works of love. Each homeroom chooses a student as its representative to the Junior Red Cross. The homerooms work through the representatives in donating to the international organization and the various special projects in the community.

Homerooms have an adopted child at the Abilene State School. They give him gifts, write him letters, and give him nickels for cokes.

Junior Red Cross members decorate the Goodfellow's Christmas tree and wrap presents for the Christmas party at the State School.

AQUILA EDITS LITERATURE OF A.H.S.

AQUILA, which means "Eagle" in Latin is a literary magazine published by Abilene High students. Staff members compile, edit, and write material for the magazine. The best literary efforts of the English classes are submitted for publication in the magazine. Many individuals make special effort to contribute a story, a poem, an essay, or a vignette with the hope that their work might be chosen.

Ginger Peeler, who was the assistant editor last year, and Mrs. Ellen Turner, the advisor, work with volunteer workers from all classes. Publicity and distribution of the magazine, which is delivered in the spring, is directed by Lois Simcox and Linda Dickenson.

BATTERY PUBLISHES NEWS CURRENT TO A.H.S.

The BATTERY, the school newspaper, holds membership in the Texas High School Press Association, The Texas Interscholastic League, and the Quill and Scroll.

Continuous activity of the Abilene High student body keeps the staff engaged in some form of news writing. Members of the staff are volunteers and journalism students. Members who are not in class work during a study period or after school to publish this bi-weekly paper.

Jo Ann Ray and Ray Finer represented the BATTERY staff at the T.H.S.P.A. meeting in Denton in December.

A.H.S. BAND IS TOPS

Go, Johnny, Go . . . The rhythm of percussion instruments resounded throughout the gym as students reveled and cheerleaders rocked to "Rock Around the Clock" during one of Abilene High School's spirited pep rallies.

Doubtlessly these sparkle-eyed students were nothing but sleepy-eyed as they assembled every morning at 8 A.M., sacrificing time and effort to keep our band one of the most outstanding bands in the country. This year the band was selected as one of the twelve permanent members of THE FIRST CHAIR OF AMERICA.

Perhaps the admiration that was won by their colorful and precise performances at football games was reward enough for their efforts.

Whether playing the school song "Dear Old Abilene High" or marching onto the football field at halftime, the vision of these black and gold uniforms filled students with a pride and gratitude that they were a part of this great and wonderful Abilene High School.

CONCERTS RECEIVED ENTHUSIASTICALLY

Harmonious strains are heard at fifth period in the Fine Arts Building as Mr. Fielder directs the orchestra. These melodious sounds are produced by instrumentalists who take pride in their work and who are proud to belong to the Abilene High School Orchestra.

Many of the orchestra members belong to the Youth Orchestra of Abilene. They are Carolyn Chaney, Marilyn Ethridge, Sue Spillman, Ercel Warren, Anita Reagar, and Judy Cantrell. Abilene High School students to make the All-State Orchestra were Mel Landers, James Matthews, and Ercel Warren.

Contributing its share of honors to the musical department, the orchestra has enjoyed another busy year of service. Concerts were given for local schools, Abilene High School Band and Orchestra Parents' meetings, and local civic clubs.

CHOIR GROUPS PRESENT THE "MESSIAH"

Harmonious sounds issue forth from the choral department long before the majority of Abilene High School students arrive for classes. The Fine Arts building quakes as enthusiastic students practice to perfect their harmony. Night practice is also common for choral students. The entire choir is composed of four groups; the Oratorio Club, Eaglettes, Boy's Choir, and the A Cappella.

Their many activities this year include singing for the Lion's Club, Kiwanis Club, and presenting the "Messiah" at Christmas. Twice this year the choir entertained at assemblies. They also made a trip to Sweetwater.

On Saturday, February 6, the choir left Abilene High School to tour Waco, Gladewater, Jasper, Warren, Beaumont, Pasadena, Galena Park, and Galveston. They returned Saturday, February 13. On tour, the choir entertained high school students at each city they visited. The tour is an annual treat for Abilene High School choral students.

EXCHANGE STUDENTS TRAVEL EAST

On October 31, 1959, a group of A.H.S. students embarked on an adventure which renewed the popular exchange program last used in 1955.

Plans for the third exchange program were begun last spring when officials from Elkins Parks, Cheltenham, Pennsylvania, requested such a program. After reading and checking hundreds of applicants, a committee chose thirty students and named Mrs. Kathryn Morrow and Mr. Bill Scott as sponsors. All began work immediately.

Staying in the homes of their hosts, the exchangees learned of home and school life in the East, toured several cities, visited famous American institutions, and enjoyed the entertainment planned by their hosts.

Upon their return students discussed their trip with their classmates and civic clubs, and began planning for the visit of the Pennsylvanians in April.

D.E. STUDENTS SELL-LEARN BUSINESS SKILLS

Distributive Education has been a part of the Abilene High School curriculum since 1949. Mr Crews has instructed the class and sponsored the club in conjunction with it from that time to the present.

Correct display ideas and proper courtesy to a customer are part of the things studied in class. The skill and arts learned in class and experience from working are exhibited and utilized by the top students at district, area and state competitive meets. Distributive Education students enter such contests as window judging, job application, salesmanship, advertising, copy and layout, business speaking and credit letter writing at the contests.

The D.E. students that joined the club are pictured in their work surroundings on the following five pages.

TECHNICIANS SET UP MICROPHONES, SPOTS

Responsibility for operation of all public address systems and for setting up all programs is given to the technicians. These skillful Abilent High School students are friends to the teacher who needs a film shown to his classes or a tape recording made.

The technicians do various tasks which range from helping with the Oil Show Banquet in the fall, to the Senior Follies in the spring. Arrangements for setting up microphones at the bonfire and pep-rallies were among the responsibilities of the technicians.

With the technicians help, spectators heard the prayer for good sportsmanship and the play by play narration of the football games for the first season at the new stadium.

Qualifications for becoming a technician are experience and interest in the work. The technicians are paid for their work.

JR. HISTORIANS STUDY LOCAL HISTORY

Under the efficient sponsorship of Mr. Vernon Spence, the Junior Historians in its first year as a chapter at Abilene High School captured first place honors with Michael Bonine's "Buffalo Gap, the Living Ghost Town." This event, which took place at the University of Texas in Austin, was the highlight of the first year. This affair was attended by Michael Bonine, John Womble, and other interested members.

Guest speakers add zeal and interest to Junior Historian meetings. Club members have had the pleasure of listening to Mrs. R. G. Choate, author of BUFFALO GOLD. A professor of history from Hardin-Simmons discussed the need for learning. John Womble, Sr., a prominent Abilenian, related the excitement of choosing a Speaker of the Texas Legislature. Customs of the Soviet Union were discussed by George Bailey, a local minister.

Qualification for membership is based upon a special interest in history. An 85 average must also be maintained.

F.H.A. CLUB DIVIDED INTO FOUR CHAPTERS

With the growth and expansion of Abilene High School, membership in the Future Homemakers of America has increased. Until this year only two chapters of F.H.A. were in Abilene High School—the Key and Scroll Chapters. This fall two new chapters, the Rose and the Torch, were added to give more girls an opportunity to more actively serve their homes and communities.

Each club now does several projects independently, but all four combine hearts and efforts on large endeavors. The club brings F.H.A. before the public eye during F.H.A. Week each year.

Only those girls that have taken a homemaking course or are taking homemaking at the time are eligible for membership in the Future Homemakers of America.

F.H.A. CHAPTERS CELEBRATE CHRISTMAS

Christmas time was a happy time for the F. H. A. girls and those to whom they bring happiness. The girls prepared holiday goodies in class labs for the tea given to honor the Abilene High School faculty.

Cheer was brought to those that know so little in their limited surroundings at the Abilene State School by the organization. The girls gave stamped Christmas cards to the students so they could send a card to their loved ones.

Peppermint candy, fruit, and Christmas carols, along with smiles and Bible readings made Christmas happier for the people who live at rest homes in our city.

Making decorations and centerpieces increase their enthusiasm for the Christmas activity. Many of the ideas were tried in the girls' homes.

MEETINGS ARE FILLED WITH ENTERTAINMENT

Club meetings are always interesting, informative, and entertaining. Mr. Barthel, the exchange teacher from Germany, spoke to the organization about the life of the average teen-age girl in Germany and the customs of home life in his native land. His presence helped the girls to realize one of the prime objectives of the organization: understanding the peoples of foreign nations.

Talent within the club is utilized for entertainment. The singing, dancing, guitar-playing Smith sisters were called on for various entertainments.

Money making schemes were an important item in the meetings and getting volunteers for the different jobs was just as important.

F.H.A.'ERS SERVE, TRAVEL, AND BANQUET

F.H.A.'ers sold mums for all the football games and served at banquets to make money for the clubs. The proceeds were divided equally among the four groups.

The highlight of the year came in April, as the girls donned their formals and invited their guests to come to the F.H.A. Banquet.

Jan Satterwhite represented Abilene High School at the national meeting in Chicago last summer. Several of the F.H.A. members usually attend he state meeting, which is held in Austin. Nearly all of the F.H.A.'ers from Abilene High invade the John Tarleton College Campus for the area meeting held in March. All of the joint meetings are outlined by the national program for the Future Homemakers of America.

PAN-AMERICANS ENCOURAGE UNDERSTANDING

The Pan-American Club, originated for better understanding of our neighbors south of the border, grows bigger and better every year. It is composed of any students who are interested in the language, native dress and other details of Mexican and Spanish life.

A member of the Pan-American Student Forum of Texas, the Abilene High organization attends the yearly meeting at Austin in April. There are many contests which a student may enter at this meeting. Among the contests are the writing of Spanish poems and themes, and the decorations of dolls in Spanish costumes.

The social highlight of the year occurs at Christmas time. Pan-American members have a dinner at a Mexican restaurant. They also prepare a gift box of food at Thanksgiving and Christmas time for a needy Spanish family.

In the spring the members present a program during Pan-American week.

D.O. STUDENTS DEVELOP SKILLS

To gain experience and skill in the business world is the main objective of the Diversified Occupation program. Members participate in projects which develop their skill in their chosen field of work.

Any student enrolled in the Diversified Occupation classes is eligible to join the Vocational Industrial Club No. 69. This club, which is sponsored by Mr. Rainey Owen, promotes a common bond between students in Vocational Industrial classes in Texas.

Diversified Occupation students work at various places of business. On their jobs they master the technique of patience, tact and efficient service. Their experience in D. O. helps to prepare these enterprising students for the important positions of tomorrow.

FORENSIC LEAGUE SPEAKS, READS, DEBATES

National Forensic League, open to all Abilene High School students interested in Forensics, promotes all forms of public speaking. Candidates must accumulate 25 points which may be earned by participating in declamation, poetry interpretation, and original speeches in order to be eligible for membership.

They must have a grade average of 80 to be inducted into National Forensic League and must maintain an 85 average to participate in tournaments. Members entered tournaments at Bel Air of Houston, Denton, Adamson of Dallas, Waco, Hill Crest of Dallas, and Spring Branch of Houston in the '59-'60 school year.

A FUTURE IN MEDICINE IS STUDIED

Students who have at least some intention of studying medicine in college seek membership in the Pre-Med Club.

The club members meet on Thursday club days to investigate the medical field and its related areas. Meetings are made informative by the discussions of doctors, nurses, medical technicians, pharmacists, morticians, and anesthetists. Pre-Med Club members are able to strain notes of interest from the talks and decide what they might like to study.

Besides listening to guest speakers, the club members enjoy field trips to the State School, the West Texas Rehabilitation Center, and the local hospitals. College choices are made by Pre-Med Club members as a result of the program.

F.F.A. BOYS STUDY THE SCIENCE OF FARMING

From the beginning of civilization to our own modern day world, agriculture has been the vital source of human survival. The farming done in this era is done primarily on a large scale basis. Although many of the boys taking "Ag" will never be farmers, they have gained knowledge which will always give them appreciation of its necessary part in keeping people alive. Their study is varied enough to expand their interests to related fields.

The potential farmers at Abilene High learn skills in radio broadcasting, live stock and poultry judging, and meat judging teams.

Knowledge and interest are enhanced by the "Ag" projects done by all the boys. Many of them raise champion hogs, heifers, chickens, and rabbits.

Activities of the year include the area, state, and national meetings. The chapter sweetheart is presented at a banquet in the spring.

FUTURE TEACHERS RECEIVE CADET TRAINING

Cadet teaching and a trip to Denton are in store for those students that join the Future Teachers Club. In this club, students are given an opportunity to discover for themselves if they want to go into the career of education. This organization promotes and stimulates interest in the field of teaching.

This spring students chose the grade level they preferred to observe and visited the local schools. In this way, students are given a chance to study various techniques of teaching.

Each fall, the Future Teachers host an initiation for those wishing to join the club.

THEIR FUTURE IN BUSINESS IS BRIGHT

Education, progress, and service are emphasized by the Abilene High School Chapter of the Future Business Leaders.

The only requirement for membership in the Future Business Leaders is credit for work accomplished in a high school business course.

The club is affiliated with the national and state organizations of the same name. Abilene High members compete in various state contests.

One project undertaken by the F.B.L.A. is to improve and establish the standards for entrance into store and office occupations.

Interests vary from special requirements needed as a secretary or bookkeeper to the background necessary for more advanced business courses.

THESPIANS ACT, WRITE, AND STAGE

National Thespians, an organization which attracts Abilene High School's dramatic talent, is an honorary society based upon service points. Twenty-five points are required for membership. These points may be earned by appearing on stage, helping in the productions, and applying make-up. After meeting the qualifications, senior members are eligible for "honor bars."

Club members handle the publicity, programs, and other details for all major productions. The Thespians work behind the scenes as they did in "Romanoff and Juliet" which was produced by the Drama Department of Abilene High School.

Formal inductions are held twice annually for candidates who earn the required 25 points.

Linda Paxton, Pam Oswalt, Mary Lou Robertson, Jane Gilchrist, Joy Crain, Linda Burson, Julia Manly, Karen Hunter, Peggye Newman, Marilyn Pebworth, Jeanne Merchant, Barbara Baucum, Katie Witherspoon, Joann Tomlinson, Margaret Dunlevy, Terry Butler, Suzanne Good, Sondra Shaw, Myrle Willingham, Barbara Beaty, Diane Fordney, Glo Lambert, Nancy Frazier, Mr. Ernest Sublett, Tommye Ann Hawkins, Barbara Mayes, Teri Hale, Martha Minter, Faye Cure, Mike Polland, Gary Chumley, Carl Berry, Wade Hamm, Joe Armstrong, Gary Moore, Douglas Duck, Bob Coleman, Jim McDonald, Larry Hovey, Phil Davis, Johnny Womble, Edwin McElrath, Donald Wade.

SHOP STUDENTS OPERATE POWER TOOLS

Boys interested in learning to operate powerful machines such as the metal lathe, tool cutter, mill, metal frame, the shaving machine, drill press, and hack saw get their opportunity in the Vocational Industrial Club, Chapter 34, Abilene High School. Interested members gain skill, experience, and technique under Mr. Harlow, sponsor of the Vocational Industrial Club.

Various projects, repair work, and jobs keep members busy. Many of them enter area and state contests in the spring. In this way participating members receive criticism which helps the boys to improve their standard of work. Their excellent operation of the machines have given many honors to members of the Vocational Industrial Club of Abilene High School.

ART CLUB APPRECIATES CREATIVITY

Doing constructive work with the touch of the artistic that shows on the surface has inspired high school students to take art courses and join the art club.

At club meetings the young artists and designers show with others their artistic accomplishments and new ideas. Local artists speak and give demonstrations at meetings, too.

Through the programs and visits to exhibits, the members learn more about artists' subjects, mediums, and styles. The year's program gave the members an opportunity to improve their understanding of art and to increase their appreciation. Some of the members received new challenges and entered their own work in exhibits.

ROMAN TRADITIONS ARE STUDIED

Veni, vidi, vici. Translation: I came; I saw; I conquered. The ambition of the members of the Roman Forum is to come, see, and conquer Latin. A ready knowledge of the basic, but dead language, proves invaluable to Roman Forum members as they study English and other romance languages.

Only Latin students are eligible for membership in the Roman Forum. The social highlights of the year are the Slave Auction held in the autumn and the Latin Banquet held in the spring. The Empress is elected by the members of the club and crowned at the banquet. Those attending the socials dress in the attire which was characteristic of ancient Rome. By doing so, they catch the touch of excitement of the ancient civilization.

FUTURE NURSES WORK AT THE HOSPITALS

Anesthetics and alcohol are a familiar smell to the members of the Future Nursing Club. By working in local hospitals in their free time, members become acquainted with every phase of hospital routine. These girls see first hand the patience and tact that is characteristic of an excellent nurse. This experience helps interested members decide more definitely about a career in nursing. The club itself explores all possibilities in the vocation of nursing.

Credit in a science course and interest in the field of nursing are the two important qualifications for being a member of the Future Nurses Club of Abilene High School. The members' interest is maintained through guest speakers and field trips. Interested members may attend the state convention.

SPANISH CLUB DELVES INTO SPANISH CULTURE

"Entre en la Tierra Aquilar y hablemos español . . ." Learning to understand the peoples in this world is an important step toward world peace. It is impossible to understand the mind of another race if we cannot understand the language. A Spanish Club has been established in Abilene High to promote the study and comprehension of the Spanish people.

Members of the club engage in conversational Spanish, learn to understand Latin American cultures, and undertake varied charitable projects. They find enjoyment in singing Spanish and Mexican songs and dancing traditional Mexican dances. In this way, members become acquainted with the history, customs, and culture of the Spanish speaking people.

ADVERTISEMENTS

Because of the assistance of our advertisers, the publication of the 1960 FLASHLIGHT is a reality.

The merchants of our city realize that the American teenager wields a great force in buying power. In sight of that realization, they advertised to gain the support of present and future customers.

In return for the help, Abilene High students buy "cokes," flowers, malts, dresses, gasoline, and even cars. Students used their buying power, and merchants came INSIDE EAGLELAND by way of advertising.

Congratulations!

Hardin-Simmons University wishes to congratulate members of Abilene High School's Class of 1960. And we want you to know that H-SU is busy building for the future of you and other students who will follow. Under construction are these magnificent structures—a chapel-auditorium and student union building. With a fully accredited academic program and a completely modern campus, the oldest institution of higher learning between Fort Worth and El Paso offers more than 550 courses in seven degree fields. Examine the curriculum, inspect the facilities and you'll choose Hardin-Simmons University.

Dear Linda,

Well, it doesn't seem like we could possibly be graduating does it? I'm wondering if I'll ever make it! (Sort of Chem.) I'm so glad that you are going to me U. next year because then we can be together. I'm so glad you and Bob are getting along. But not a word if I talk about him I can't say anything nice about you. Do — Remember the st. prom and the times we've gone to the show and the hours we've spent at your house talking and the hours on the phone. I know I'll never forget. It really has been a ball! I know that you are going to do wonderfully next year and all your life you are such a sweet girl and have such a marvelous personality. Then we get through college maybe we can take a trip or something. I really think you are so sweet and good you don't help, but be a success. But I know I'm going to be every one and I'm so glad that you are going to be [illegible]. Love Jerry

Linda: I'm so much sorry to hear that you're leaving us. It's been a pleasure knowing you & I'm sure you'll make a success in whatever you undertake. Best of luck (or punk :)). Especially with all those unnecessary comments in between. I can't say how happy I am that we've been associated. Good friend, and I'm sure we'll be different from the usual run of the mill annuals! Just remember we're always here if you need us. Love and best wishes and I think of you! Carolyn

Dear Linda
B cool fun knowing you all this time; don't ever change, be serious.
Charles Smith

Dear Linda,
Thanks for just being in my Soc. class. It's been more fun because of you. May your dreams come true, and I'll see you a lot next year.
Love
Connie Parmelly

Linda,
It has been nice being in school with you. Keep your head up, and don't let anything get you down.
Good luck!
Carolyn Fincher

Linda!
Well, we finally made it! That graduation you have been grant'n' have had a hold!
Have a real swell girl and I mean that as a fact in the world!
Elizabeth Wright

You have come INSIDE EAGLELAND.

You have met exciting people and done exciting things.

You have gone to pep rallies, to a bonfire, to athletic events of all kinds, to Homecoming, to Christmas parties, to concerts, to banquets, to picnics, to assemblies, to the Senior Follies, and to graduation.

You have studied for tests and semester examinations. You have worked for "Dear Old Abilene High." You have had fun and many good times. You have been surprised and disappointed; but you enjoyed it all because you are young in mind and spirit. You now marvel at the brevity of the school year and of all the other "wonderful years" of your life.

We on the Flashlight Staff trust that you, the students of Abilene High School, have enjoyed and will continue to enjoy the tour INSIDE EAGLELAND because we compiled this volume for you.

Shirley Jaggars

To one of the nicest and sweetest girls I've ever met.

Dear Linda,
Congratulations on graduation. You are a very sweet girl and I wish you luck.
Love,
Judith Connally '59

Linda,
You're a real swell girl and I've enjoyed being in your journalism class this year.
Best of luck,
David Montgomery

Dear
Had fun knowing you. Good luck! Hope to meet again.
Charles Smith, Battery Ed,

Linda,
It has been my pleasure knowing you this year.
Too bad I didn't get to know you better, but
remember: Few women are dumb enough to
listen to reason.
— Russ Adams '60
Linda,
We've had
some wonderful
years together. We've
had a lot of fun together.
